

# Hanson, In The City

I see you walking out that door  
And you know, you can't hide no more  
And if I asked you now I know you wouldn't give it up  
And if I asked you how you'd give that look to kill  
Know it gives you a chill oh but it gives me a thrill to say

chorus

Do you love me do you love me  
Do you love me little pretty  
Can you tell me can you tell me  
What's going on in the city

You stand there trying to look so sweet  
Every word you say is so full of deceit

If I asked you how you'd give that look to kill  
I know it gives you a chill oh but it gives me a thrill to say

Do you love me do you love me  
Do you love me little pretty  
Can you tell me can you tell me  
What's going on in the city

I'm gonna ask you once again  
You've got to tell me once again do you love me  
I'm gonna ask you once again  
You've got to tell me once again do you love me  
I'm gonna ask you once again  
You've got to tell me once again do you love me  
Do you love me do you love me whoaaa

Do you love me do you love me  
Do you love me little pretty  
Can you tell me can you tell me  
What's going on in the city  
Do you love me do you love me  
Do you love me little pretty, yeah  
Can you tell me can you tell me  
What's going on in the city  
Do you love me do you love me  
Do you love me little pretty, yeah  
Can you tell me can you tell me  
What's going on in the city
