

# Hanson, River (Live From Albertane Version)

River  
(I.Hanson, T.Hanson, Z.Hanson)

Lately we've been talking about who we are  
It Seems we don't know anymore  
And all this time that we've been thinking  
At night I've been dreaming about you

And I know you don't believe me when I say  
I'll love you 'till the end, forever and a day

And I guess we'll never know  
(We'll Never know)  
Exactly where this river's gonna flow  
And I guess we'll never understand  
(Undertand)  
Til we reach that promise land  
So I guess we'll never know

Well people say that we're sweethearts  
They say nothing in the world can tear us apart  
Well I don't know about you  
But this thing we're going through is tearing me in two

And I know you don't believe me when I say  
I'll love you 'til the end, forever and a day

And I guess we'll never know  
(We'll never know)  
Exactly where this river's gonna flow  
And I guess we'll never understand  
Until we reach that promised land  
So I guess we'll...  
I guess we'll never know

We've had our highs and lows  
But we let our feelings roll into the sea  
These feelings come and go  
But if we let our feeling show  
This river just might flow through you and me

So I guess we'll never know  
Exactly where this river's gonna flow  
And I guess we'll never understand  
Until we reach that promised land  
So I guess we'll..  
I guess we'll never know

I guess we'll never know
