Hanson, Strong Enough To Break

I don't feel myself today
Just a figure in a big monopoly game
Struggle is the price you pay
You get just enough just to give it away
I'm sinking but I'm floating away
Throw me a line so I can anchor my pain
The fabric is about to fray
The fabric is about to fray

Maybe you could take a look at yourself lately Maybe you could take a look at yourself lately Maybe you could take a look at yourself lately

Things keep coming and I keep wondering I start feeling the walls close in Things keep coming and I keep stumbling I start feeling I'm strong enough to break Oh, I start feeling I'm strong enough to break

Been running through my mind today Scenarios to add to your hypocrisy No one ever takes the blame But everyone is searching for a cure to the pain Nothing ever seems to change Oh, nothing ever seems to change We just play like broken records in a deaf man's charade

Maybe you could take a look at yourself lately Maybe you could take a look at yourself lately Maybe you could take a look at yourself lately

Things keep coming and I keep wondering I start feeling the walls close in Things keep coming and I keep stumbling I start feeling I'm strong enough to break Oh, I start feeling I'm strong enough to break

Carry on just a pawn and the same old song I'm still holding on

The fabric is about to fray

Maybe you could take a look at yourself lately Maybe you could take a look at yourself lately

Things keep coming and I keep wondering I start feeling the walls close in Things keep coming and I keep stumbling I start feeling I'm strong enough Things keep coming and I keep wondering I start feeling the walls close in Things keep coming and I keep stumbling I start feeling I'm strong enough to break Oh, I start feeling I'm strong enough to break
