

# Hanson, Strong Enough To Break (Acoustic Vers

(I. Hanson, T. Hanson, Z. Hanson, G.Wells)

Well I haven't been myself today  
just to figure in a big monopoly game  
Struggle is the price you pay  
You get just enough just to give it away  
We're sinking more, they're floating away  
Just throw me a line so I can ache in my pain  
The fabric is about to fray  
The fabric is about to fray

Maybe you could take a look at yourself lately  
Maybe you could take a look at yourself lately  
Maybe you could take a look at yourself lately

Things keep coming and I keep wondering  
And I start feeling the walls close in  
Things keep coming and I keep stumbling  
I start feeling strong enough to break  
I start feeling strong enough to break

I've Been running through my mind today

scenarios to catch your hypocrisy  
no one ever takes the blame  
but everyone is searching for a cure to the pain  
nothing ever seems to change  
oh nothing ever seems to change  
we just play broken records in a deaf man's charade

Maybe you could take a look at yourself lately  
Maybe you could take a look at yourself lately  
Maybe you could take a look at yourself lately

Things keep coming and I keep wondering  
And I start feeling the walls close in  
Things keep coming and I keep stumbling  
I start feeling strong enough to break  
I start feeling strong enough to break  
I start feeling strong enough...

Oh yeah  
Strong enough to break  
Strong enough to break
