

Hanzel Und Gretyl, Disko Fire Scheiss Messiah

(Remember this day when the strong hand of the lord leads you out of bondage)

Meister of all the demonation
Faster than the beast of light
Bondage of orgasmic power
Hostage of eternal life
Sanctum of immortal reason
Burning in the carnal sun
Savage of the psychic fire
Transport my damnation

Fire!
Fire!

Disko fire scheiss messiah!
Disko fire scheiss messiah!

(Who shall withstand the power of god)
(Behold his mighty hand)

Blackstar of the masochistic
Praising the divinity
Exalted in the death inferno
Vortex of infinity
Dragons of manipulation
Burning sadisticly
Damned in the great temptation
Flesh and blood and misery

Fire!
Fire!

Disko fire scheiss messiah!
Disko fire scheiss messiah!

(Who shall withstand the power of God?)
(Behold his mighty hand!)

Disko fire scheiss messiah
Disko fire scheiss messiah
Disko fire scheiss messiah
Disko fire scheiss messiah
Disko fire scheiss messiah
Disko fire scheiss messiah

Scheiss messiah!
Scheiss messiah!
Scheiss messiah!

(The lord was angry with me because I disobeyed him)
