

Happy Hardcore, Eye Opener

Open your eyes
See all the love in me
I've got enough forever
Dont be afraid
Take all you need with me
And we'll be strong together!
Ohhh
We'll be strong together
ohhh
We'll be strong together

Open your eyes
See all the love in me
I've got enough forever
Dont be afraid
Take all you need with me
And we'll be strong together
ohhh
We'll be strong together
ohhh
We'll be strong together
(repeats till end of song)
