

Harmful, Bad Tempered

You walk, you talk, you wonder if you suck, you dare, you share, no one will ever care
I've been there before The grass behind your door You laugh, you bark and wait until its dark
No matter what its like hell be back for more anyway Ease my mind without the color grey
This faintly shining shadow that some people claim to see... is surrounding your body naturally
Surrender, remember, when you were still a member You were god, you solved, appeared in our h
Who said: "I wonder why the sky must be so high?!"
No matter what its like hell be back for more anyway Ease my mind without the color grey
This faintly shining shadow that some people claim to see... is surrounding your body naturally
Is it right or wrong? Dont put this question inward Does it feel, does it hurt if you once again dig in t
So faithful in love, so doubtless in war, I wont ask, I wont fight but does it work the same way twice
No matter what its like hell be back for more anyway Ease my mind without the color grey
This faintly shining shadow that some people claim to see... is surrounding your body naturally
