

# Harry Connick Jr., I love her

And I would never say goodbye to her  
There are no days that I don't cry for her  
There are no thing I wouldn't try for her  
I'd die for her, I love her

There are no ways I could explain to her  
There are no love songs that retain to her  
I'm like this innocent refrain to her  
I vain to her, I try

A million men have battled for her  
I'd give my soul to just explore her  
If she'd just make a moment for me  
She'd adore me too

And I'd do anything to be with her  
My heart forever would be free with her  
And still the only one I see with her  
Is me with her, I love her

A million men have battled for her  
I'd give my soul to just explore her  
If she'd just make a moment for me  
She'd adore me too

And I'd do anything to be with her  
My heart forever would be free with her  
And still the only one I see with her  
Is me with her, I love her

I love her
