Harry James, Ive Heard That Song Before

I've Heard That Song Before Artist: Harry James, with vocal by Helen Forrest Sung by Frank Sinatra in the movie " Youth on Parade" Charted at # 1 for 13 weeks in 1943 Words by Sammy Cahn and Music by Jule Styne It seems to me I've heard that song before It's from an old familiar score I know it well, that melody It's funny how a theme recalls a favorite dream A dream that brought you so close to me I know each word because I've heard that song before The lyrics said "Forever more" Forever more's a memory Please have them play it again And I'll remember just when I heard that lovely song before Transcribed by Walter Bronson
