

Harry Styles, Don't Let Me Go

Now you were standing there right in front of me
I hold on scared and harder to breath
All of a sudden these lights are blinding me
I never noticed how bright they would be

I saw in the corner there is a photograph
No doubt in my mind it's a picture of you
It lies there alone on it's bed of broken glass
This bed was never made for two

I'll keep my eyes wide open
I'll keep my arms wide open

Don't let me
Don't let me
Don't let me go
'Cause I'm tired of being alone

Don't let me
Don't let me go
'Cause I'm tired of feeling alone

I promise one day I'll bring you back a star
I caught one and it burned a hole in my hand oh
Seems like these days I watch you from afar
Just trying to make you understand
I'll keep my eyes wide open yeah

Don't let me
Don't let me
Don't let me go
'Cause I'm tired of feeling alone
Don't let me
Don't let me go

Don't let me
Don't let me
Don't let me go
'Cause I'm tired of feeling alone

Don't let me
Don't let me
Don't let me go
'Cause I'm tired of feeling alone

Don't let me
Don't let me go
'Cause I'm tired of sleeping alone
