

# Harry Styles, Kiwi

She worked her way through a cheap pack of cigarettes  
Hard liquor mixed with bit of intellect  
And all the boys, they're saying they're into it  
Such a pretty face, on a pretty neck

Driving me crazy  
But I'm into it  
I'm into it  
I'm kind of into it  
It's getting crazy  
I think I'm losing it /2x  
I think she said:  
"I'm having your baby, it's none of your business" /4x  
"It's none of your"

It's New York baby, always jacked up  
Whole tunnels foreign noses always blocked up  
When she's alone, she goes home to a cactus  
In a black dress, she's such a such an actress

Driving me crazy  
But I'm into it  
I'm into it  
I'm kind of into it  
It's getting crazy  
I think I'm losing it /2x  
I think she said:  
"I'm having your baby, it's none of your business" /4x  
"It's none of your"

She sits beside me like a silhouette  
Hard candy dripping on me till my feet are wet  
And now she's all over me  
It's like I paid for it /2x  
I'm gonna pay for this

"It's none of your" /2x  
"I'm having your baby, it's none of your business" /4x
