

# Harry Styles, Women

I'm selfish, I know  
But I don't ever want to see you with him  
I'm selfish, I know  
I told you  
But I know you never listen

I hope you can see the shape that I'm in  
While he's touching your skin  
He's right where I should  
Where I should be  
But you're making me bleed

Tempted, you know  
Apologies are never gonna fix this  
I'm empty, I know  
And promises are broken like a stitch is

I hope you can see the shape I've been in  
While he's touching your skin  
This thing upon me  
Howl like a beast  
You flower, you feast
