

# Hawkwind, Right To Decide

(Brock Davey)

I'm a digital citizen, safe in my room

I've got my video to relieve the gloom

My mind's on a circuit with the nudes on the screen

Life's a no-go area - it's so obscene

You can't do this, you can't do that

You can't go forward and you can't go back

I'm a plugged in person, I'm a TV fan

But there's so many things that I don't understand

Why do you want to steal our TV - it's not real

It's a viewing game

You can't do this, you can't do that

You can't go forward and you can't go back
