

Hawkwind, Silver Machine

(Calvert / Brock)

I just took a ride
in a silver machine
and I'm still feeling mean
I got a silver machine
Do you want to ride
see yourself going by
other side of the sky
Well I got a silver machine
It flies sideways through time
It's an electric line
To your Zodiac sign
It flies out of a dream
It's anti-septically clean
You're gonna know where I've been
In my silver machine
