Haydamaky, Please Call Me Later (ft. Kamil Bedr

Kamil Bednarek:
Please call me later
I decide challenge to my Creator,
One distraction, one eliminator,
A generation full of haters
Please call me later!
Vampire angry feast
A plan to a people full attention,
That's the one destination,
No money, but love should be a direction
Please call me later
The right for religion free dominator,
So all that a one ultimator,
Please call me later
