

# Hayden Panettiere, Telescope

Won't do no good, if you run from me  
There ain't no cheatin', schemin' my heart don't see  
You left your troubles in my head, in my head  
You left your secrets in my bed, in my bed  
You're like the cover of a book that's been read, baby  
I know what line is coming next, coming next

You can't hide from me,  
There ain't no tricks that you can try on me  
I know your every move before you even breathe baby  
Thinking you know something I don't know  
But my eyes, my eyes, my eyes are like a telescope

You're kissing her, when my head is turned  
You must be crazy baby, haven't you learned?  
You can't deceive me silly child, silly child  
I don't believe that greedy smile, greedy smile  
My intuition can see for miles and miles baby  
Every little sin, and everywhere you've been

You can't hide from me,  
There ain't no tricks that you can try on me  
I know your every move before you even breathe baby  
Thinking you know something I don't know  
But my eyes, my eyes, my eyes are like a telescope  
Yeah, yeah

You left your troubles in my head, in my head  
You left your secrets in my bed,

You can't hide from me,  
There ain't no tricks that you can try on me  
I know your every move before you even breathe baby  
Thinking you know something I don't know  
But my eyes, my eyes, my eyes are like a telescope

You can't hide from me,  
There ain't no tricks that you can try on me  
I know your every move before you even breathe baby  
Thinking you know something I don't know  
But my eyes, my eyes, my eyes are like a telescope
