

Head East, I Surrender

I surrender to your heart
And I'll do anything that you want me to do
Please be tender, in your hands girl
This is a feelin' that I never knew

You know I've tried to make you my own
This ain't the way it's suppose to be
I spend all my time waitin' on the phone
Oh woman, come back to me

I remember, it seems like a lifetime
It's hard to believe it's just a matter of days
Since you left me so filled with heartbreak
I want you so bad, I need your lovin' ways

What will it take to get you by my side
Is there nothing I can do
To take away the hurt that's inside
I'm still in love with you, oh

I surrender, I surrender
I'm givin' up the role of pretender
Oh be tender, you'll be tender
Won't you take the love that I send

I remember, oh it seems like a lifetime
It's hard to believe that it's a matter of days
Since you left me so filled with heartbreak
I want you so bad, I need your lovin' ways

What will it take to get you by my side
Is there nothing I can do
To take away the hurt that's inside
I'm still in love with you

I surrender, I surrender
I'm givin' up the role of pretender
Oh be tender, you'll be tender
Won't you take the love that I send you
(Repeat twice more)

I surrender

Repeat chorus twice more
