

# Headhunter, Egomaniac

Egomaniac, fake identity

I ain't the man I thought I would be

Killing illusion, lost in confusion

Not sure what's real or my fantasy

Havoc desolation immortal fear

Can't I expect more dedication here?

Depending on others, can't accept their point of views

Personal opinions are bad news

Will the daily grey turn into sun

Out of the fire -- now on the run

Honour and pride -- scream to get it -- cheat get it

Skills to get it right...

Eternal fight -- scream to get it -- cheat get it

Skills to get it right...

Egomaniac, declining confidence

I'm not really looking for your tolerance

My way or the highway -- a control freak

Get out of my way if you are to weak

Will the daily grey turn into sun

Out of the fire -- now on the run

Honour and pride -- scream to get it -- cheat get it

Skills to get it right...

Eternal fight -- scream to get it -- cheat get it

Skills to get it right...
