

# Heart, Anything's Possible

There are times in your life  
They take you by surprise  
You and I - I know we can talk about it  
You're important to me,  
Like the air that I breath  
You and me - I know we can talk about it

When my conscience comes undone  
I unfold and morning comes  
I know you're my friend  
Hold on and transcend  
I know anything is possible  
I don't ask for much  
Just show who you are  
I'll know anything is possible

There's a shadow of doubt  
Turning you inside out  
What you reveal can make you so strong  
Tell me where is the proof?  
Does it lie in the truth?  
I believe we can be anyone

When my conscience comes undone  
I awake and morning comes  
I know you're my friend  
Hold on and transcend  
I know anything is possible  
I don't ask for much  
Just show who you are  
I'll know anything is possible

I wanna know all about you  
I wanna know all about you  
I wanna know you

I wanna know all about you  
I wanna know all about you  
I wanna feel you

I know you're my friend  
Hold on and transcend  
I know anything is possible  
I don't ask for much  
Just show who you are  
Then I'll know anything is possible
