

# Heart, Heartless

The doctor said come back again next week, I think that you need me.  
All she did was cry  
She wanted to die  
Doctor when can you see me?  
There's a guy out there! seems like he's everywhere!  
It just ain't fair!

Heartless-heartless! never never out of control  
Heartless-heartless! you keep on sinin' in the name of rock and roll  
Heartless-heartless! he thinks it's so cool to be cold  
Never realize the way love dies when you crucify it's soul

Late night in the penthouse room, the fire is burning  
Shadows are warm, laying in his arms she answers his yearning  
Her eyes are filled with sand

Heartless-heartless! never out of control  
Heartless-heartless! sin in the name of rock and roll  
Heartless-heartless! he thinks it's so cool to be cold  
Never realize the way love dies when you crucify it's soul
