

# Heart, Strangers Of The Heart

Through the mist on the harbor  
Dancing lights on the water  
Shadows move  
I see you smiling again  
when I reach out to touch you

Like a ghost looking through me  
Sending chills deep into me  
shattered dreams falling like teardrops again  
and you make me remember

(chorus)  
strangers of the heart  
always safe with words unspoken  
strangers of the heart  
don't take chances they'll get broken  
no matter where you are  
hear me tonight  
I don't want to be strangers at heart

broken glass of my mirror  
makes my eyes see much clearer  
you and I only a whisper away  
never telling each other

repeat chorus twice
