Heart, These Dreams

Spare a little candle
Save some light for me
Figures up ahead
Moving in the trees
White skin in linen
Perfume on my wrist
And the full moon that hangs over
These dreams in the mist

Darkness on the edge Shadows where I stand I search for the time On a watch with no hands I want to see you clearly Come closer than this But all I remember Are the dreams in the mist

These dreams go on when I close my eyes Every second of the night I live another life These dreams that sleep when it's cold outside Every moment I'm awake the further I'm away

Is it cloak and dagger Could it be spring or fall? I walk without a cut Through a stained glass wall Weaker in my eyesight The candle in my grip And words that have no form Are falling from my lips

These dreams go on when I close my eyes Every second of the night I live another life These dreams that sleep when it's cold outside Every moment I'm awake the further I'm away

There's something out there I can't resist I need to hide away from the pain There's something out there I can't resist

The sweetest song is silence
That I've ever heard
Funny how your feet
In dreams never touch the earth
In a wood full of princes
Freedom is a kiss
But the prince hides his face
From dreams in the mist

These dreams go on when I close my eyes Every second of the night I live another life These dreams that sleep when it's cold outside Every moment I'm awake the further I'm away

These dreams go on when I close my eyes Every second of the night I live another life These dreams that sleep when it's cold outside Every moment I'm awake the further I'm away
