

# Heartless Bastards, Only for You

Been a while since I felt this way about  
Someone that really really like to know you  
More I know you, more, o!  
All your eyes sing the song to me  
And I really, really like to move to it  
Oh, oh... o!

And... we ohh!  
Open my eyes!  
And now, a! we  
I only for you

All your eyes spending on my head  
And all, all this line of sorrow uh !yeah for...  
Yeah, all your eyes spending on my head  
And I... spend of sorrow uh, yeah  
And now I'm, we, o!, open my heart  
And I only, o! only for you  
And now I'm just gone don't know what to do  
My head is such a cloud if you  
And I'm just gone now what to do  
My head is such a cloud if you so...  
I'm tryin uh uh uh  
And now I'm just gone don't know what to do  
My head is such a cloud if you

All your eyes spending on my head  
And all, all this line of sorrow uh !yeah for...  
Yeah all your eyes spending on my head  
And I... spend of sorrow uh! yeah for.

And now I'm, we, o! oh!  
Open my heart  
And now I'm, we  
I only o!, only for you!
