

Heartsdales, Party Central

* (R)

Every time you take my breath away
Feels like my heart just skipped a beat
Party with me all night long

Every moment is precious to me
Just take my hand and dance tonight
I'm falling in love again

(J)

Yo, ! Here we go!

We got the vibe that you can't hide
so everybody come along

flyWoah Woah!!

(R)

Make you wanna say whoa mama

Kiss of fire kiss of fire
You got only one desire
Light my fire light my fire
I got only one desire

You will always be my love forever
