

# Heather Nova, Light Years

You found me  
drifting.  
Big motion like a bird,  
strangest song i ever heard.

Now, now that you're here  
stay with me light years,  
light years, light years.

No paper, no ring  
in the trees where frogs sing.  
I brought lillies for you,  
think of all the things were gonna do.

Now, now that you're here,  
stay with me ligt years.

I give you a thousand hours,  
making love in the tall sunflowers.  
I give you a thousand feet,  
down were the water's deep.

Sleepy storm, sleepy head,  
Limb for limb on my bed,

Now, now that you're here,  
stay with me light years,  
light years, light years,  
light years, stay with me,  
stay with me, stay.
