Heaven's Basement, Heartbreaking Son of a Bitc

You think you know me, but you don't know shit
I'm gonna show you that I will never quit
I'm gonna own you, make you my bitch
You can't control me, you just make me sick

I ain't Jumping Jack Flash
I'm no ()
I ain't Ziggy Stardust
I'm just a heartbreaking son of a bitch

Shit talk, non-stop
Gimme everything you got
Everybody here is the same
Shit talk, non-stop
Gimme everything you got
Everybody knows I'm a heartbreaking son of a bitch

Oh yeah!

I've seen you tripping off the tip of your toes
I've seen you flipping a lot of people you don't know
You think it's easy 'cause you're on a high
Can't think overdosing on a lie

I ain't Jumping Jack Flash
I'm no ()
I ain't Ziggy Stardust
I'm just a heartbreaking son of a bitch

Shit talk, non-stop
Gimme everything you got
Everybody here is the same
Shit talk, non-stop
Gimme everything you got
Everybody knows I'm a heartbreaking son of a bitch

What you get is what you see,
Standing right in front of me
Step right up and take a shot
Say, please: fuck off!

I'm just a heartbreaking son of a bitch!

Shit talk, non-stop
Gimme everything you got
Everybody here is the same
Shit talk, non-stop
Gimme everything you got
Everybody knows I'm a heartbreaking son of a bitch

Everybody knows I'm a heartbreaking son of a bitch
Oh, oh, yeah
Everybody knows I'm a heartbreaking son of a bitch
