## Hed PE, Renegade

I'm a renegade

Back out motherfucker

You better tap out

Boo-hoo you crying baby

Where you at now?

Cuz i be lookin for you

Me and my people lookin ready

And we're lookin for truth

So come and get this

Make it hurt you know I love it when you

Tap this

put me up into a corner

Be a witness

Yeah this is critical mass

We invite the revolution

We ignite the past

See me

I'm still standing

I might be bleeding

But I'm still breathing

I'll never surrender cause I'm a renegade

What, what you want some

Come and get some

Pussy motherfucker

I got you where you live nigga

Me, you will never control, no

Genocidal maniacal

Devil, the party's over

I'm a renegade

A runaway slave

I've been dreaming about my freedom

On the underground train

It's armagedon you're getting just what you wanted

Critical mass, freedom at last, freedom at last

See me

I'm still standing

I might be bleeding

But I'm still breathing

You might hate me

But you can't break me

I might be bleeding

But I'm still breathing

This dog will turn around and bite you

Turn around and (WHAT) bite you

This dog will turn around and bite you

This dog will (WHAT)

(Growl)

How long do you thing I'm just gonna let you fuck with me and not do something about it?

You think I'm just gonna turn the other cheek?

You push me so I'll push you right back

You push me so I'll push you right back

You push me so I'll push you right back

You push me so I'll push you right back

See me

I'm still standing

I might be bleeding

But I'm still breathing

You might hate me

But you can't break me

I might be bleeding

But I'm still breathing

I'll never surrender cause I'm a renegade
