Rda lppar dljer dina tnder  
och din tunga r s strv

Eld och rimfrost r i dina gon  
r du kvinna eller rv?

Jagar slugt och vilt i natten  
Lnga rmar dljer dina klor  
Leker lystet med ditt byte  
munnen din r rd av blod

(Kertose)

Nouse kirki kiimalle  
perhyry hngylle  
Nouse ilman nojumata  
kihko ilman kirromata

Vild och farligt vacker r du  
Kjolen dljer knappt din svans  
Lockar lngre ut i mossen  
med din galna rovdjursdans  
Just nr dina klder fallit  
och din nakna kropp jag sett  
skrattar du och ppar kften  
ger mig djupa krleksbett

Stiger lust till livligt lystnad  
rusar sav i stammen upp  
Stiger sejdens hjlp frutan  
rusar utan galder rakt

&lt;/lyrics&gt;

Purple lips hide teeth that glisten sharply  
and your tongue is coarse like stone

in your eyes fight fire with the white frost  
fox or maid, you make me groan

Wild and sly you hunt in time of darkness  
long sleeves hide your tearing claws  
with your prey you play, forever lustful,  
mouth in blood, feel no remorse.

(Chorus)

Rise now lust and rave desire  
rush on upwards, sap in birchstem  
Rise without a word of witch craft  
rush without a rune of making!

Wicked and wild, your beauty me bewitches  
skirt hem barely hides your tail.  
Luring, leading deep into the woodlands  
madly dancing in the swale.  
At the moment when you throw your garments  
and I see your naked frame  
baring teeth you burst into a laughter  
bites of love turn me aflame....

Rise now lust and rave desire  
rush on upwards, sap in birchstem  
Rise without a word of witch craft  
rush without a rune of making!
