

# Hellicopters, Tab

Way too late to set things straight  
Push too hard by keeping me waiting  
Going down, no way up  
No use in telling you've been f\*\*ked

Slowmotion shadows, noone around  
Silence ringing with another sound  
I got city's burning in my head  
My mind ghouls wanna get fed

TAB kinda makes you freak  
F\*\*ks up the way you speak  
Creepy crawling sneak  
Upon you - drives you to a peak
