

# Halloween, King For A 1000 Years

[Music: Deris/Weikath/Gertsner/Grosskopf/Loebl, Lyrics: Deris]

Wouldn't it be nice  
To plunder with your eyes  
Whatever there's for you to see  
Is yours to be  
Let me be there  
Just tell me you don't care  
Just say you pay me afterlife  
However high the price

I know your secrets  
I know it all

I know your secrets  
I see the hidden without light  
I am your sickness  
Biting you right behind your eyes  
Don't try to kill me  
I cannot die, a death you know  
You and I will be  
Heaven above and hell below

Brother, believe me  
Father, conceive me  
Perceive me

Time will be a turning wheel  
We shove or retard  
Time will a toy  
Time we will enjoy  
Say you want to live forever  
Minus one day  
Say you will obey and I

I will show - I will show  
I will show your Reich of gold  
And I will show - I will show  
I will show you friend and foe

Wouldn't it be nice  
To reign and to decide  
Whatever there's attracting you  
Will give its due to you  
Let me be there  
Just say you want to share  
A power no one will withstand  
Just be my human hand

I know your secrets  
You want it all

I will show - I will show  
I will show you Reich of gold  
And I will show - I will show  
I will show you friend and foe

[Solo: Sascha / Sascha / Weiki / Sascha / Weiki / Markus]

Alienation, elimination, chaos, no exoneration  
No believers, all deceivers, no illusion, executions

[Melody: Sascha]

We are King For A 1000 Years  
We are king of a million tears  
We're the ones who bring desire  
Binding their greed and fears  
We are king of fallen men  
We are keepers of the damned  
Turning hope into obsession  
We are the king  
We are The King For A 1000 Years

Ages of fire - Aeon of darkness, fear and hate  
Wake up my creatures  
Stand up you bringers of man's fate  
No one can kill us  
We cannot die, a death one knows  
Mankind is sleeping  
My victory near, their end so close

I know their secrets  
I know it all

[Solo: Both / Sascha / Weiki]

Goodbye sorrows  
Borrow me your hand to turn the key  
Release me - Believe me  
Goodbye sorrows  
Never more you have to fear futurity  
Goodbye sorrows  
Borrow me your hand to turn the key  
Conceive me

Time will be a turning wheel  
We shove or retard  
Time will a toy  
Time we will enjoy  
Say you want to live forever  
Minus one day  
Say you will obey and I

I will show - I will show  
I will show your Reich of gold  
And I will show - I will show  
I will show you friend and foe

We are King For A 1000 Years  
We are king of a million tears  
We're the ones who bring desire  
Binding their greed and fears  
We are king of fallen men  
We are keepers of the damned  
Turning hope into obsession  
We are the king  
We are The King For A 1000 Years

[Outro melody: Sascha]
