

Hellraiser, I Got A Power

Looking for you
Waiting for you
I feel so bad without your love
I wanna touch you
I wanna neck you
I wanna lay with you in bed

What about you
What about me
What about making love
I'm looking at you
You're looking at me
In the shade of the setting sun

I got a power
I want your body
I want your soul
Get you Get you

You are driving me mad
You are making me sad
I want your pinky flesh so bad
I'M ready and strong
Cos I'M a man
I'M firing like a machine gun
I really like you
I really need you
We should never waste our precious time
I'm running to you
You're running to me
We both gonna feel all right

Call on me tonight
I'm waiting for you baby
With the bottle of whiskey
Chilling in my frig
