Herman Brood, Still Believe

You make me feel like I've drawn a loser's card but every time you walk out of me I find myself left with a broken heart but it ain't my way to quit mom, I came to win child May have run out of luck but I'm pretty shure it's gonna come back again it's gonna come back keep on tryin' child - keep on tryin' cause I

still believe that I can win (3 x) your love

Found myself in a freight train rolling down the track to the hazy landscape goin' to town I scored myself some hard porno new Playboy, the new Penthouse doin' the hand jive just to kill the time but it ain't my way to quit mom, I came to win May have run out of luck but I'm pretty shure it's gonna come back again it's gonna come - it's gonna come back keep on tryin' - keep on tryin' gonna keep on tryin' - keep on tryin'

still believe that I can win (4 x) your love
