

# Herman's Hermits, Marcel's

Marcel lives in Wapping, the ducks are due his tapping  
Marcel's got a houseboat on the Thames  
There's grotesque decorations, eccentric demonstrations  
Let's go down to Marcel's on the Thames

## CHORUS:

Knock knock, sesame it's open, it's Alice in Wonderland  
Marcel, Marcel  
Can we come around, can we see you right away?  
Can we come around? It's such a groovy day  
Marcel, Marcel

Meet the oddest creatures with unfamiliar features  
Greeks & Turks with clerks & lemon tyne  
Men with long eyelashes & ladies with mustaches  
On Marcel's creaking house, it's on the Thames

(chorus)

Gusters work for giving, the panda men are livin'  
(repeat & fade):  
Let's go down to Marcel's on the Thames
