

# Hermes Hause Band, You've got a friend

When you're down  
And troubled  
And you need some love in care  
And nothing, no nothing is going right  
Close your eyes  
And think of me  
And soon I will be there  
To brighten up even your darkest night

Chorus:

You just call out my name  
And you know wherever I am  
I come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there;  
you've got a friend (2x)  
When the sky above you  
Throw dark through the clouds  
And the old, old winds begin to blow  
And keep your head together  
And call my name out loud  
So you hear me knocking and you know?

Chorus:

You just call out my name  
And you know wherever I am  
I come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there; you've got a friend (2x)  
Whenever you could know, that you've got a friend  
Cause people can be so cold  
They hurt you  
And desert you  
They take you so, if you let them  
But don't you let them?

Chorus:

You just call out my name  
And you know wherever I am  
I come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there; you've got a friend (2x)  
You've got friend, you've got a friend, you've got a friend,  
You've got friend, you've got a friend, you've got a friend  
I'll be there, I'll be there, I'll be there, I'll be there,  
I'll be there, I'll be there, I'll be there, I'll be there, I'll be there
