

Hermes House Band, Take Me Home Country Road

Written by Danoff/Nivert/Denver)

Are you ready to party
Here we go

Almost heaven West Virginia
Blue Ridge Mountains Shenandoah river
Life is old there older than the trees
Younger than the mountains blowin' like a breeze

(Are you ready to party)

Country roads take me home
To the place I belong
West Virginia mountain momma
Take me home country roads

All my memories gather round her
Miner's lady stranger to blue water
Dark and dusty painted on the sky
Misty taste of moonshine teardrops in my eyes

Country roads take me home
To the place I belong
West Virginia mountain momma
Take me home country roads

Country roads take me home
To the place I belong
West Virginia mountain momma
Take me home country roads

I hear a voice in the morning how she calls me
The radio reminds me of my home far away

Drivin' down the road I get the feelin'
That I should been home yesterday yesterday

(Here we go)
Country roads take me home
(Take me home)
To the place I belong
(Let me hear you sing)
West Virginia mountain momma
Take me home country roads
(Here we go here we go)

Country roads take me home
To the place I belong
West Virginia mountain momma
Take me home country roads

La la la hey hey
La la la hey hey
La la la hey hey
La la la
West Virginia mountain momma
Take me home country roads

La la la hey hey
La la la hey hey
La la la hey hey
La la la

West Virginia mountain momma
Take me home country roads

Take me home country roads
Take me home country roads
(I'm coming home...)
