

Hermits Herman's, (What A) Wonderful World

Don't know much about history
Don't know much biology
Don't know much about Science Books
Don't know much about the French I took
But I do know that I love you
And I know that if you love me too
What a wonderful world this would be

Don't know much about Geography
Don't know much trigonometry
Don't know much about Algebra
Don't what is like rule is for
But I know that one plus one is two
And I just want to be with you
what a wonderful world this would be

Now, I don't plan to be an A student
But I'm trying to be
Well, maybe by being, an A student baby
I could win your love for me

Don't know much about history
Don't know much biology
Don't know much about Science books
Don't know much about the French I took
But I do know that I love you
And I know that if you love me to
What a wonderful world this would be

But I do know that I love you
And I know that if you love me to
What a wonderful world this would be
