

# Hey Monday, I Don't Wanna Dance

Take me home

You, you hit with me a break  
And now you're back for more  
Your song's the same  
Leave me with all the blame  
I don't have time for another game

I don't wanna dance  
So don't you ask me, babe  
I don't wanna dance  
You blew your chance  
To rock my night away  
I want some fun  
Boy, you're so not the one  
I don't wanna dance  
So let it go  
You'll never take me home  
Take me home  
Take me home

Talk to me without a sound  
'Cause you were such a fool  
Who's sorry now?  
You, you're shaking on the floor  
Watch me walking out the door

I don't wanna dance  
So don't you ask me, babe  
I don't wanna dance  
You blew your chance  
To rock my night away  
I want some fun  
Boy, you're so not the one  
I don't wanna dance  
So let it go  
You'll never take me home  
Take me home  
Take me home

Don't tell the DJ to hit rewind  
Tonight, there's no you and me  
Don't play that record  
Don't waste your time

You, you threw it all away

I don't wanna dance  
So don't you ask me, babe  
I don't wanna dance  
You blew your chance  
To rock my night away  
I want some fun  
Boy, you're so not the one  
I don't wanna dance  
So let it go  
You'll never take me home  
Take me home  
Take me home

I won't dance  
I won't dance  
Bust a move or clap my hands [x3]

Take me home  
(Take me home)
