

High School Musical Cast, Scream

The day a door is closed
The echoes fill your soul
They won't say which way to go
Just follow your heart

To find you're here for
Open another door
But i'm not sure any more
It's just so hard

Voices in my head
They tell me they know best
Got me on the edge
They're pushin', pushin'
They're pushin'
I know they've got a plan
But the balls in my hands
This time it's man-to-man
I'm driving fighting inside

A world that's upside down
Spinning faster
What do i do? Without you!

I don't know where to go, what's the right team?
I want my own things. So bad I'm gonna scream!
I can't choose, so confused. what's it all mean?
I want my own dream so bad i gonna scream!

I'm kicking down the walls
I gotta make 'em fall
Just break through them all
I'm punchin', crashin', i'm gonna
Fight to find myself
Me and no one else
Which way i can't tell
I'm searchin', searchin' can't find the
Road i should take
I should turn right or left
It's like nothing works without you

I don't know where to go, what's the right team?
I want my own things. So bad I'm gonna scream!
I can't choose, so confused. what's it all mean?
I want my own dream. so bad I'm gonna scream!

Yeah the clocks running down
Hear the crowd getting loud
I'm consumed by the sound!
Is it her? Is it love?
Can the music ever be enough
Gotta work it out! Gotta work it out!
You can do it! You can do it!

I don't know where to go, what's the right team?
I want my own things. so bad I'm gonna scream!
I can't choose, so confused. what's it all mean?
i want my own dream so bad I'm gonna scream!

I don't know where to go, what's the right team?
I want my own things. so bad I'm gonna scream!
I can't choose, so confused. what's it all mean?
I want my own dream. so bad I'm gonna scream!

Ohh! AHHH!!!!!!
