

# Highway 101, Who's Lonely Now

You walked out on a good love  
And you found somebody new  
And now the one that turned your head  
Is turning her back on you

Who's lonely now, who's heart is hurting  
I've had my share of those blues  
Who's lonely now, who's head is reelin'  
You're finally feelin' it too  
Now you need a little sympathy  
You never shoulda walked out on me  
Who's lonely now

I feel a whole lot better  
I got a new attitude  
So you can take my crying towel  
And carry it home with you

Who's lonely now, who's heart is hurting  
I've had my share of those blues  
Who's lonely now, who's head is reelin'  
You're finally feelin' it too  
Now you need a little sympathy  
You never shoulda walked out on me  
Who's lonely now

When your rejected, you feel neglected, its true  
In your condition, you need attention  
And you know I'd like to help, but I'm seeing someone else  
Who's lonely now

Now you know I'd like to help, but I'm seeing someone else

Who's lonely now, who's heart is hurting  
I've had my share of those blues  
Who's lonely now, who's head is reelin'  
You're finally feelin' it too  
Now you need a little sympathy  
You never shoulda walked out on me  
Who's lonely now
