

# Hold On Kid, The Final Score

I've spent too much time thinking bout this  
I think it's time that I stopped  
so I can assess my priorities  
I always knew we wouldn't work together  
all the decisions were made by you  
but all the time I tried to keep smiling  
that was one thing I had to do  
I won't let you ruin my dreams come true  
cos I don't need your lies this time  
cos you're out numbered  
at least I have real friends who'll always be there  
I am happy with who I am today  
so I don't need you anyway  
you can go and shove that fake smile up your  
ask me once, don't ask me twice  
the answer never differs  
you still haven't gotten anywhere  
I always knew we wouldn't work together  
all the decisions were made by you  
but all the time I tried to keep smiling  
that was one thing I had to do  
I won't let you ruin my dreams come true  
cos I don't need your lies this time  
cos you're out numbered  
at least I have real friends who'll always be there  
Da da da da da da da da  
yeah I don't need you anymore  
da da da da da da da da  
yeah I don't need you anymore  
I always knew we wouldn't work together  
all the decisions were made by you  
but all the time I tried to keep smiling  
that was one thing I had to do  
I won't let you ruin my dreams come true  
cos I don't need your lies this time  
cos you're out numbered  
at least I have real friends who'll always be there  
They'll always be there  
Too bad that your never there
