

Home Grown, Grow Up

Yeah you tell me that it's time to grow up
Blah, blah, blah, shut up
You're just afraid that I'll be better than you
I'm just a kid and I'm having fun
Doin all things you never got to do
You never got to do, oh yeah

So you think you can change me
Control me, restrain me?
Well I've no, no self-control, no limits, no boundaries
Content watching the world crumble around me

Chorus:
I keep telling myself
That I don't need anybody else
I'm doin fine on my own
But then again, maybe I'm missing something
At least that's what they're telling me

Yeah right!
Don't try to tell me what you think's right
I don't need your insight on life
I've made my own way
So I will not change!...No!
Not for anyone, for anyone, for anyone, oh yeah!
For anyone

Yeah you tell me that it's time to grow up
Blah, Blah, Blah, Shut up
You're telling me what you're parents told you
I'm just a kid and I'm having fun
Doin all things you never got to
I keep telling myself
That I don't need anybody else
I'm doin fine, on my own
But then again, maybe I'm missing something
At least that's what they're telling me
But I'm not going to change Not for anyone...
