

# Home Town Hero, Hell Of A Guy

Lend me a shoulder  
Over and over  
I'm a misunderstanding  
So why aren't you laughing  
Do do do do do do do do do

I'm just a hell of a guy  
I bet you're wondering why  
You haven't heard of my name  
But now I pay on my way

How did I hurt you  
Look what I went through  
Oh, my head wasn't working  
I couldn't salute you  
Do do do do do do do do do

I'm just a hell of a guy  
I bet you're wondering why  
You haven't heard of my name  
But now I pay on my way  
I'm just a hell of a guy  
No matter how hard I try  
I got a lot to say  
You never feel quite the same

Do do do do do do do do do do  
Do do do do do do do do do do

I'm just a hell of a guy  
I bet you're wondering why  
You haven't heard of my name  
But now I pay on my way  
I'm just a hell of a guy  
No matter how hard I try, ya  
I got a lot to say  
You never feel quite the same
