

# Honeydogs, Bad Day, Good Night

Get, undress and fall into our bed  
This can of worms is left for dead  
I can't wait through all this shit  
Come close, dear  
And let me hold you near  
It doesn't matter who's right or wrong  
It's always coldest before dawn

One more bad day so goodnight  
Turn off the light  
Don't cry now  
Don't speak, don't make a sound  
It's a long time losing streak  
But we'll get through this one more week

One more bad day so goodnight  
Turn off the light  
(Falls) between us are standing tall  
Snowball in hell  
Drunk down in a well  
Chances are I will wake up with you

One more bad day so goodnight  
Turn off the light  
One more bad day so goodnight  
Turn off the light
