

Honorata Skarbek Honey, Come Closer

I see you want me boy!
U stare begging for more
Before I give, I gotta know
That u won't let me go

It's a dirty co-connection
Between us, this satisfaction
And I want it, want it, want it!
It's a flirty re-relation
Between us, this satisfaction
And I want it, want it, want it!

I know that u want it too,
so why don't u come closer?
U know all I want is u
so why don't u come closer?
If u don't come here now
It's gonna hurt u later baby like aaauuuu
I know that u want it too
so why don't u come closer?

Ur still starting at me, babe
Better step up ur game
Before it is too late
Do it now don't hesitate

It's a dirty co-connection
Between us, this satisfaction
And I want it, want it, want it!
It's a flirty re-relation
Between us, this satisfaction
And I want it, want it, want it!

I know that u want it too,
so why don't u come closer?
U know all I want is u
so why don't u come closer?
If u don't come here now
It's gonna hurt u later baby like aaauuuu
I know that u want it too
so why don't u come closer?

I wanna feel ya
I wanna kiss ya
I wanna hold ya, come closer!
I wanna feel ya
I wanna kiss ya
I wanna hold ya, come closer!

Closer, closer
I know that u want it too,
so why don't u come closer?
U know all I want is u
so why don't u come closer?

I know that u want it too,
so why don't u come closer?
U know all I want is u
so why don't u come closer?
If u don't come here now
It's gonna hurt u later baby like aaauuuu

I know that u want it too
so why don't u come closer?
