

Honorata Skarbek Honey, Hard Drive

Got your picture on my phone
Got your favourite song
Set as your ringtone
And I like when you write
That it would be nice
If we meet tonight

Hit me on ICQ
Baby you got me
Double dot you're so cute
Write on my wall
Gimme some face time
On high def TV
Kiss the cam on Youtube
Cause after all

I got your love saved on a file
On my hard drive
On my hard drive
Colored red and underlined
On my hard drive
On my hard drive

I'll back it up everyday
If you agree press OK
Got your love saved on a file
On my hard drive
On my hard drive

I'm in love dot com
Thumbs up if you like my song
Play it loud it's for you
Sing with me if you like me too

Hit me on ICQ
Baby you got me
Double dot you're so cute
Write on my wall
Gimme some face time
On high def TV
Kiss the cam on Youtube
Cause after all

I got your love saved on a file
On my hard drive
On my hard drive
Colored red and underlined
On my hard drive
On my hard drive

I'll back it up everyday
If you agree press OK
Got your love saved on a file
On my hard drive
On my hard drive

Come copy
My feelings
And paste them
Where you like
Where you like
Got your love on my hard drive
Hard drive
Hard drive

I got your love saved on a file
On my hard drive
On my hard drive
Colored red and underlined
On my hard drive
On my hard drive

I'll back it up everyday
If you agree press OK
Got your love saved on a file
On my hard drive
On my hard drive
