

Honorata Skarbek Honey, Insomnia

Just back from the studio,
Still I'm restless, Should I go out,
Try to sleep it off no,
It ain't working, the night is calling,

Now it's almost 4 am and it won't let me go
Now I have more control just let my body go

No sleep hit the streets let's fly,
Club's closed but that's alright,
We'll bring the city back to life,
Hands up wide awake tonight

No sleep hit the streets let's fly,
Club's closed but that's alright,
We'll bring the city back to life,
Hands up wide awake tonight

Black sky against the moonlight,
Energy is high and I can't fight it,
You won't find me Mr. Sandman,
Good night, I'm on the run

Now it's almost 4 a.m. and it won't let me go
Now I have more control just let my body go

No sleep hit the streets let's fly,
Club's closed but that's alright,
We'll bring the city back to life,
Hands up wide awake tonight
