

# Honorata Skarbek Honey, Runaway

I got two thousand miles to run and no energy  
Too much to deal with people keep telling me to run faster  
A big world that's spinning night through day under me  
Can't tell my up from down no more, baby like I'm losing gravity

Tell me why can't you be here with me baby  
That's all, all that I ask for  
'Cause I need you to say  
Everything will be okay

I wanna runaway-ay-ay-ay  
Just the two of us and a new day  
Runaway-ay-ay-ay  
They can say whatever they place

I wanna runaway  
I don't wanna runaway  
I wanna runaway  
I don't wanna runaway  
I wanna runaway  
I don't wanna runaway  
Just runaway

I can't take one more day of living without your love  
I'm here alone and no one can even understand, just hear me out  
I scream high and I try to get the sound through to you  
Closing my eyes imagine you're sitting in the room beside me

Tell me why can't you be here with me baby  
That's all, all that I ask for  
I need you to say  
Everything will be okay

I wanna runaway-ay-ay-ay  
Just the two of us and a new day  
Runaway-ay-ay-ay  
They can say whatever they place

I wanna runaway  
I don't wanna runaway  
I wanna runaway  
I don't wanna runaway  
I wanna runaway  
I don't wanna runaway  
Just runaway

This stress is eating me up  
Got no where to hide  
Everything's on the wrong side  
Come take my hand we'll go off

I wanna runaway-ay-ay-ay  
Just the two of us and a new day  
Runaway-ay-ay-ay  
They can say whatever they place

I wanna runaway  
I don't wanna runaway  
I wanna runaway  
I don't wanna runaway  
I wanna runaway  
I don't wanna runaway  
Just runaway

I wanna runaway-ay-ay-ay  
Just the two of us and a new day  
Runaway-ay-ay-ay  
They can say whatever they place

I wanna runaway  
I don't wanna runaway  
I wanna runaway  
I don't wanna runaway  
I wanna runaway  
I don't wanna runaway  
Just runaway
