

# Hoobastank, This Is Gonna Hurt

I've been living for too long  
With a feeling something's wrong  
Like a thorn stuck in my side  
Just out of reach for me to pull it out  
Now the picture's crystal clear  
I can see that the end is near  
We no longer to have pretend  
All things have got to come to an end

This is gonna hurt  
This is gonna hurt you  
This is gonna hurt you  
More than it hurts me.  
And I don't wanna hurt  
That's why I'm gonna hurt you  
That's why I'm gonna hurt you  
That's how it's gonna be.

And they say what doesn't kill you  
Well, I'm sure you know the rest  
If you'd shut up for a second  
I could get this off my chest  
Cause I've been though way too much  
And we've grown so out if touch  
Now we can't see eye to eye  
It's time to kiss it goodbye.

This is gonna hurt  
This is gonna hurt you  
This is gonna hurt you  
More than it hurts me.  
And I don't wanna hurt  
That's why I'm gonna hurt you  
That's why I'm gonna hurt you  
That's how it's gonna be.

This is gonna hurt you  
That's how it's gonna be  
This is gonna hurt you

Can't you see the writing on the wall?  
One more step before I end it all.  
Closing my eyes, holding my breath,  
Finish it now, get it over with.  
Can't you see the writing on the wall?  
One more step before I end it all.  
Closing my eyes, holding my breath,  
Finish it now, get it over with.

This is gonna hurt  
This is gonna hurt you  
This is gonna hurt you  
More than it hurts me.  
And I don't wanna hurt  
That's why I'm gonna hurt you  
That's why I'm gonna hurt you  
That's how it's gonna be.
