

# Hootie And The Blowfish, Let Her Cry

She sits alone by a lamppost  
trying to find a thought that's escaped her mind  
She says Dad's the one I love the most  
but Stipe's not far behind  
She lets me in  
only tell me where's she's been  
when she's had too much to drink  
I say that I don't care I just run my hands  
through her dark hair and I pray to God  
you gotta help me fly away  
And just:  
Let her cry:if the tears fall down like rain  
Let her sing:if it eases all her pain  
Let her go:let her walk right out on me  
And if the sun comes up tomorrow  
Let her be:let her be.  
This morning I woke up alone  
found a note by the phone  
saying maybe I'll be back some day  
I wanted to look for you  
You walked in I didn't know just what to do  
so I sat back down had a beer and felt sorry for myself.

[Chorus]

Last nite I tried to leave  
She cried so much I just  
could not believe  
she was the same girl I  
fell in love with long ago  
She went in the back to  
get high  
I sat down on my couch  
and cried  
yelling oh mama please  
help me  
won't you hold my hand.

[Chorus]
