

# Hope Sandoval & The Warm Inventions, Clear Day

It's so clear, day out  
It's so clear, day out

It's so clear, day out  
It's so clear, day out

Gonna find all your trouble  
Gonna send them away  
Gonna make you feel happy  
Gonna be what you say

It's so clear, day out  
It's so clear, day out

It's so clear, day out  
It's so clear, day out

Gonna walk through your doorway  
Gonna be what you say  
Gonna take all your trouble  
Gonna kiss them away

True

It's a clear day  
It's a clear day  
It's a clear day
